EVERYTHING
YOU NEED FOR

fall

Written by Rah Riley

While the rest of the country blushes in leafy crimson and dusky gold, the colors of fall in Santa Barbara get their inspiration from deep jewel tones. Like a cache revealing hefty gemstones and 35-carat rocks, the colors of November have us falling over ourselves with lists of local must-haves.

In this month's accessory editorial, burgundy burns with the fiery romantic pieces like plum lipstick, viper polish, snakeskin boots, and feverishly handsome cowhide pillows. A collection of navy, like darling blue polish paired with bold Tanzanite jewels and chunky navy knits, keeps things cool and collected. Our selection of pre-winter whites are staples for the season. Erno Laszo's

rejuvenating face creams, a cult-worthy cuff, and a pearl topped white gold and black diamond ring are just a few of the highlights. If you're going green this year, the vintage glasses from Blue Door, Dior cosmetics, a fluffy green handbag, and green tourmaline jewelry from Gauthier have us absolutely emerald with envy. For warmer tones that keep sunshine in the season, we're craving golden trays from Cabana Home, a gilded set of sake cups, and a certain shamelessly gold-studded handbag. Jasmine Rouge fragrance, Red Violet lipstick, and a pair of gold rimmed sunglasses from Occhiali, round out our accessories and bring these jewel tones back to their earthy roots. ✦
